Description of Requirements

This is a combined synopsis/solicitation for commercial items prepared in accordance with the format in Subpart 12.6, as supplemented with additional information included in this notice. This announcement constitutes the only solicitation; quotes are being requested and a written solicitation will not be issued. Resultant award is subject to the availability of funds.

The solicitation number is RFP018/2014 and is issued as a Request for Proposal (RFP). The Solicitation document and incorporated provisions and clauses are those in effect through Federal Acquisition Circular 01-013. This announcement constitutes the only solicitation; proposals are being requested. An award, if any, will be made to the responsible offeror who submits a proposal that (1) conforms to the requirements of the solicitation; (2) that receives a rating of "Acceptable" on the Technical Capability evaluation factor; (3) favorable delivery terms and (4) that submits the proposal with the lowest total evaluated price (TEP), provided that the TEP is balanced and is fair and reasonable. The Government reserves the right to award without discussions or make no award at all depending upon (1) the quality of proposals received and (2) the price fair and reasonableness of proposals received.

Question and proposal submissions under this Request for Proposal (RFP) shall be only via email to spoomtong@usaid.gov by the date and time specified above. USAID/RDMA will provide responses to all questions on or about September 17, 2014.

The award of a contract hereunder is subject to the availability of funds. Issuance of this RFP does not constitute an award or commitment on the part of the U.S. Government, nor does it commit the U.S. Government to pay for costs incurred in the preparation and submission of a proposal.

(a) The Government will award a contract resulting from this solicitation to the responsible offeror whose offer conforming to the solicitation will be most advantageous to the Government, price and other factors considered. The following factors shall be used to evaluate offers: Technically Acceptable, Past Performance, and Price.

Technical and past performance, when combined, are approximately equal to price.

(b) Options. The Government will evaluate offers for award purposes by adding the total price for all options to the total price for the basic requirement. The Government may determine that an offer is unacceptable if the option prices are significantly unbalanced. Evaluation of options shall not obligate the Government to exercise the option(s).

(c) A written notice of award or acceptance of an offer, mailed or otherwise furnished to the successful offeror within the time for acceptance specified in the offer, shall result in a binding contract without further action by either party. Before the offer's specified expiration time, the Government may accept an offer (or part of an offer), whether or not there are negotiations after its receipt, unless a written notice of withdrawal is received before award.

(End of Provision)

The Government will award a contract resulting from this solicitation to the responsible offeror(s) whose conforming offer to the solicitation will be most advantageous to the Government, price and other factors considered. The following factors will be used to evaluate offers: Offers will be evaluated on the basis of Quality, Past Performance, and Price.

Past Performance: Possible offerors shall provide 3 company names, contact persons and telephone numbers as references of similar contracts within the last three years.

Offerors need to include a complete copy of the following FAR provision:

FAR 52.212-3, Offeror Representations and Certifications-Commercial Items,(NOV 2006)

The following FAR provisions apply to this solicitation:

FAR 52.212-4, Contract Terms and Conditions-Commercial Items (FEB 2007)
