

2012 Camp David Accountability Report: Sweden In-Depth Table (Self-Reported)

	Donor	Country Partner or Other Recipient of Funding	Volume and Focus of Funding		Objectives		Managing for Development Results		AFSI Commitments			
			Funding (in US\$ millions)		Objectives	Timeline	Illustrative List of Indicators	Progress To-Date	Supporting Country Investment Plans	Strategic Coordination	Comprehensive Approach	Leveraging Multilaterals
Assistance	Sweden	Kenya	Disbursed 2010-2011: 28 million USD	FUNDING: Includes programmatic support to government strategic plans, e.g., National Agricultural and Livestock Extension Programme (NALEP) five year plan, as well as various short-term CSO projects, etc.	Varies according to programme and partner, agricultural and livestock extension, rural development, access to credit.	Varies between programme and partner (1-5 years or more).	NALEP aims to reach 560 000 farmers and their organisations; other programs have other indicators.	Not possible to include in this table.	Yes. NALEP is national strategy; SIDA supports policy and investment.	Yes. Active support by SIDA in Kenya.	Yes. Food aid for humanitarian and protracted relief is provided on top of the AFSI commitments. Health and environmental assistance is also provided in addition to the food security assistance as described in the AFSI work.	Yes. Multilateral support is approximately 50% of Swedish development assistance and additional to what is reported in this table. Some of it is spent in Kenya, notably the CGIAR centres such as International Livestock Research Institute (ILRI).
				PROGRAMS: Agricultural and livestock extension, land reforms, financial services, marketing and value chains, CSO projects in environment.
